

Covid-19 Operational Policy

Dated 1 December 2021

Introduction

The Covid-19 pandemic has been a large disruptor for the Junior Breakers programmes with lockdowns in 2020 and 2021 forcing the programmes to be suspended. Going forward the ability to hold Junior Breakers programmes in a safe manner will require the transmission risk being reduced as much as practicability possible during the times that staff, and clients, are in attendance at our training locations.

Aim

To provide a safe environment for all staff and clients and to prevent the transmission of Covid-19 while staff and clients are working or attending a Junior Breakers training session, either at 7 Atlas Place, Mairangi Bay, or other locations.
